about taste of cayman

The Taste of Cayman Food and Drink Festival is one of Cayman's largest events attracting over 5,000 local and international attendees to Camana Bay's Festival Green.

As the signature annual fundraiser for the Cayman Islands Tourism, Taste of Cayman 2024 is going to be bigger, better and tastier than before, including all the past elements you know and love, including the Heavy Cake and Mixology competitions, plus some exciting new features which we can't wait to share with you!

We work closely with our sponsors to create unique and meaningful experiences to ensure maximum exposure and benefits from partnering with Cayman's favourite food and drink festival. Talk to us today about how we can create a bespoke package to assist with your marketing goals or select one of our already existing packages. We are always open to new and exciting ideas, if something isn't right, let us know and we'll find a way to make it work.
